To Friends and Partners of LDAH:

I am pleased to announce that we have changed our name from “Learning Disabilities Association of Hawaii” to “Leadership in Disabilities & Achievement of Hawaii”. This change was made in consultation with LDAH staff who believed that the name change would be beneficial in maintaining and expanding the reach of LDAH’s service and programs.

While our name has changed, our vision and commitment have not. Led by our Executive Director, Rosie Rowe, LDAH will continue offering our core programs of serving as the Parent Training & Information Center of Hawaii and the Pacific Islands, and operating the School Readiness Project on Oahu and Hawaii Island. We are also exploring exciting opportunities to increase our work with military families and families of children with all types of disabilities across the state and in the Pacific.

We welcome you to contact us if you have any questions or wish additional information.

Sincerely,

---

Sam K. Yee  
Board President
