HAWAII ASSOCIATION FOR INFANT MENTAL HEALTH

UNDERSTANDING ATTACHMENT DISORDERS AND TREATMENTS

Presented by Linda C Fox, PhD

Wednesday, August 8
9:00AM - 12:00PM
PACT Training Room

*1505 Dillingham Blvd., Suite 218
Honolulu, HI 96817*

AGENDA

8:30AM - Registration and networking
9:00AM - Training begins

OVERVIEW

Utilizing a Trauma-Informed approach to understanding attachment disorders, its treatments and how trauma impacts attachment relationships at the earliest stages of life.

LEARNING OBJECTIVES

- How providers can help parents and caregivers prevent attachment disorders from developing, and
- How to provide healthy interventions once diagnosed.

PRESENTER BIO

Dr. Linda Fox is Clinical Director for Child & Family Service. She has a Ph.D. in Psychology and has over 35 years of experience working with children and families. She is licensed in both Maryland and Hawaii, and has worked in prevention programs for children at risk for abuse and neglect, as well as in treatment settings providing mental health services to children and families.
