Information Center

SPECIAL EDUCATION LAW

IDEA & HAWAII

ADMINISTRATIVE RULES CHAPTER 60

What is the National Law; Individuals with Disabilities Education Act of 2004? Hawaii's State Rules Chapter 60? Learn what these laws mean for your child and how they influence the decisions made by your Individualized Education Program Team (IEP).

UNDERSTANDING THE EVALUATION PROCESS

Familiarize yourself with the Process under IDEA 2004 and Hawaii Administrative Rules Chapter 60. Learn how to utilize specific information from assessments and evaluations to determine eligibility for your child. Develop an awareness of what information is included in the evaluation process by learning strategies to identify strengths and needs of a child that affect the Individualized Education Program.

DEVELOPING MY CHILD'S IEP

Eligibility has been determined for your child under IDEA 2004. Now you and your IEP Team will be developing an Individualized Education Program or IEP.

Understand the steps to this process, from beginning to end and how your child with a disability will benefit from his/her IEP.
